Re: ACS State Healthcare LLC

Dear Rusty,

[REDACTED] Whatever rights your clients have under the TMFPA vested at the time they filed their petitions under seal, and, in our view, subsequent procedural maneuvering does not impact those rights. Further, we recognize that you filed the first *qui tam* case under the TMFPA against ACS (Xerox) in the [REDACTED] matter filed in Dallas County District Court on February 28, 2012. [REDACTED]

[REDACTED] Taking this action will not, [REDACTED] extinguish any rights your clients currently possess under the TMFPA, nor will it impact your status as first to file. Please let me know if you have any questions.

Sincerely,

Raymond C. Winter
